It's spring! The air is fragrant with blossoms and Mother Nature has done another spectacular job of painting the scenery. Everything seems so vibrant and new.

Speaking of new, a lot of good things are happening with dhSeadragon Distinctive Designs. Continuing with its mission to spread smiles, the little art business has been expanding.

dhSeadragon Distinctive Designs is now an LLC and is well in the process of being trademarked. Some new equipment has been purchased and Twitter has been added to the social media campaign. Tis the season to tweet after all!

Besides having art displayed at The Gallery at el Pedregal, 34505 N. Scottsdale Road in Scottsdale, AZ and at The Grill at the Boulders Resort and Spa, 34631 N. Tom Darlington Drive, Scottsdale, AZ, groundwork is being paved for more galleries, resorts, and other venues around the country.

Vote for dhSeadragon! Making the world a brighter place one smile at a time takes skill and a vision. It also takes working capital. To that end, dhSeadragon has entered into a grant contest through FedEx. Check out the new video and cast your vote today!
